Winter Works Through May

OTTAWA (CP) — A one-month extension to May 31 of the winter works incentive program was announced in the Commons Tuesday by Labor Minister Starr.

Originally intended to run from last Dec. 1 to April 30, the program up to March 20 had created 32,000 jobs "which would not otherwise have been provided," Mr. Starr said.

Applications from municipalities for federal sharing in payroll costs for works projects had totalled 1,909. Of these 1,838 or 96 per cent had been approved and a number were pending.

The federal government pays half the payroll costs, provinces and municipalities sharing the rest.

Pay-TV Due Soon

KIMBERLEY, B.C. (CP)—First pay-as-you-see television-movie operation in Canada is expected to be in operation here within eight weeks, unless customs seriously delays arrival of U.S. equipment.

Promoter Bernard Redisky, head of Kootenay Enterprises Ltd., said Tuesday that: "We won't have advertising, and the movies are censored before they can be released in Canada."

The operation is by coaxial cable.

First high-speed train to use diesel locomotives was on the German state railways in 1933.

'Most Beautiful Legs'

Showing off the legs which won her the title of "most beautiful legs in America" is actress Jayne Meadows—Mrs. Steve Allen. Governor Luther Hodges of North Carolina presented the prize in the "hosiery week" promotion to Mrs. Allen, who represented the field of the theatre.

Soldier Admits Forgeries, Offers to Make Restitution

An offer of restitution and hope that he might be allowed to continue his chosen career in the army were voiced by one of two soldiers charged in Saanich police court with false pretences by means of forged documents.

Jack Kenneth Dye, a PPCLI corporal at Work Point, had pleaded guilty to one such charge in Saanich and three in city police court.

Remanded to Thursday for probation report and sentence, he appeared before Magistrate William Ostler yesterday to present a character witness—a superior officer who testified to accused's good character and reputation with the unit.

It was then that Dye said he would, if given the opportunity, like to make restitution (the amount involved in his case is $99.49), and would be able to do so in about 10 days.

Earlier yesterday a second corporal in the same unit, Robert John Fullerton, pleaded guilty to three similar charges in Saanich court.

He admitted cashing a forged cheque for $95, drawn on the Bank of Montreal at Port Coquitlam and purportedly signed by Robert John Hagman, at the Bank of Montreal, Quadra Street; cashing a second forged cheque for $150, bearing the name W. G. Freund, at the Bank of Montreal, Royal Oak; and cashing an income tax refund cheque for $54.45 bearing the forged name of James E. Nivens, at the Safeway store, Tillicum and Burnside.

Particulars of the charges were outlined by Det. Robin Stewart.

Fullerton, he said, worked in the garrison orderly room, and had access to the mail room. There, either by examining envelopes of incoming mail or, in some cases, opening them, he was able to obtain names and personal bank account numbers from members of the service.

With this information, he filled out service books for identification to match names and account numbers.

Fullerton was also remanded, to March 31, for probation report and sentence. It was indicated further charges might be laid.

Pleads 'Fifth,' Forgetfulness

Mick 'Slays' Probe

WASHINGTON (UPI) — Mickey Cohen, Los Angeles hoodlum, florist and impromptu gag-man, refused to talk to Senate investigators yesterday about a $50,000 offer to "put out the lights" of a cigaret vendor.

"I got nuttin' to do with electricity," the stocky, gum-chewing underworld figure told the Senate rackets committee.

Cohen ducked behind the Fifth Amendment to almost all questions about his activities, including whether evangelist Billy Graham had aroused his interest in "spiritual things."

But some of his comments, mostly in the nature of asides, had spectators in the crowded Senate caucus room roaring with laughter.

Cohen was called as a witness after other witnesses told the committee that Cohen and a henchman were paid $10,000 to "stay neutral" in a business war between two cigaret vendors.

Chief counsel Robert Kennedy asked Cohen whether he started a life of crime in Cleveland by sticking up a cafeteria.

"I respectfully decline to answer on the grounds that it might tend to incrimine me," Cohen replied, "and I don't remember."

Neither would he confirm that he recently stated in public that "the people in Los Angeles ought to get down on their knees and thank God for Mickey Cohen?"

Asked if he was, in fact, "leading a new life," as he was reported to have told Graham, Cohen said his conversations with the evangelist might incriminate him too.

F. S. Mason Funeral Thursday

Francis Scott Mason, 80, of 1011 Island Road, died Tuesday morning in Royal Jubilee Hospital, following a lengthy illness.

He was born in Surrey, England, and came to Canada in 1913 to work as a surveyor. In 1916, he enlisted in the Canadian Field Artillery and served in France with the 58th Battery. He was a double-leg amputee because of injuries received in the war.

Mr Mason was a member of No. 1 Perfection Lodge and Rose Croix, AF & AM.

Surviving are his widow Sarah, at home, and a sister, Emily, of Victoria.

Funeral services will be held at 3.30 p.m. Thursday from St. Mary's Church. It was a request of Mr. Mason that flowers be omitted, in favor of donations to the Senior Citizen's Housing Project, in care of A. V. Price, 1400 Beach Drive.

Puzzle Probe Pressed

WASHINGTON (AP)—The Federal Bureau of Investigation said yesterday it is continuing its investigation of a crossword puzzle contest racket that victimized two New York feature syndicates and numerous newspapers.

FBI agents, after weeks of undercover work, made 12 arrests Monday in six states in connection with the racket.

Warrants charged that an organized ring of U.S. citizens established headquarters in London, Ont., and engaged in a swindle by getting solutions to the puzzles through fraudulent representations.

The FBI said it wants custody on these charges of two other men who are in Canada, who cannot be extradited unless indicted by a grand jury.

Grant Approved

The Capital Improvement District Commission has approved a Saanich council application for a $12,000 grant to beautify Mt. Tolmie park, Reeve George Chatterton reported last night.

The CIDC has notified the provincial government of its approval, he said.

Winter work projects in municipal parks, amounting to $15,375, have been approved by Saanich council, he said. Saanich's share—$6,000—is all that is left in the provisional budget for park projects.

Best Pupils Take Russian

OTTAWA (CP)—About 20 students of outstanding language ability will be taught Russian at Ottawa's Nepean High School beginning next September.

"We're not starting any too soon," said J. H. Booth of the Nepean French department.

A three-year course starting in Grade 10 is planned. Russian already is taught ni North Toronto Collegiate and three more Toronto high schools are expected to introduce it in September.
